1) Submitted to the Chief Secretary. CB 463

2) I beg to be permitted to make the following representation regarding my personal case.

3) You are doubtless aware that the recent Government Order revising the Economic Conference organisation has hit me personally very hard. I am all of a sudden deprived of Rs.100 of my emoluments. Almost ever since I entered the Secretariat I have drawn a higher rate of duty allowance. I was getting an allowance of Rs.100 from the 1st July 1918 and, when with effect from the 1st July 1920 the reorganisation of the Conference was ordered I was made Assistant Secretary to Government and exofficio Assistant Secretary to the Economic Conference and Secretary to the Industries Board and given a combined duty allowance of - Rs.150 per month.

4) I have thus for the past 4 years been drawing a higher rate of allowance. I am yet quite a junior, getting a pay of only Rs.250, being still only provisionally permanent in the last grade of Assistant Commissioners, though I have been acting as an Asst. Commissioner for over 8 long years. It would therefore have been impossible for me to have continued in this costly place but for the indulgence shown to me by Government.

5) I have always placed my work before all other considerations and have endeavoured my best to justify the emoluments so kindly given to me and I trust that I have not been found wanting by Government.

6) The present sudden reduction means a heavy cut of 25 per cent in my salary. This is nothing less than a financial calamity to me. In these hard times, with my heavy family responsibilities and with the scanty pay I am getting, it is utterly impossible for

me to maintain myself in Bangalore without incurring serious liabilities which are sure to blast the whole of my future life.

7) I beg that, in consideration of my work as also of the fact that I have been drawing a higher rate of allowance continously for over 4 years now, the Government may kindly see their way to make up for my heavy loss, by the grant of a suitable personal allowance at least. Such a consideration has been shown before to other officers connected with the Conference, viz., Messrs. K. Subba Rao and V. Subramanya Iyer who were given non-absorbable personal allowances of Rs.100 and 50 respectively.

8) That mine is a particularly hard case is within your knowledge. I therefore entreat you to kindly place this humble representation before Government for their sympathetic consideration with your own kind and strong support for which I shall always be deeply grateful to you.

10) Submd. This is really a hard case. The principle of compensating all officers for living allowance was first started and, when later rigid cases, can only be accepted. But Mr. Ramachandra Rao's case is a very peculiar ~~He has also~~ one. He also opted for part I

Dist. Ed. Supdt Nyanza, forwards the rank & salary on which Mr. Lee is working, appointed Master in April 1917, made substantive in July 1918, provisionally permanent in Feb 1920 — his salary on this memo is at £250 ~~per annum~~. He has not yet been confirmed as Master & there is no prospect of his confirmation for some considerable time to come — but he will be entitled to annual increment from Feb next as he is provisionally permanent. I would recommend that until then this increment be withheld & a personal allowance of £50 - this would keep his emolument at £350* as against £400, which he is drawing for above memo, instead of bringing it down to £300 — The extra cost of £50 p.a. is a very little over 6 months, & might be conjointly allowed during the hard times caused by the various retrenchments.

(The date of Feb from which he gets this increment provisionally permanent happens to be the date of his appointment. It might have his annual increments dates, as the vacancy in which the appointment was made, but this is for annual increments purposes)

In consequence of the appointment of a separate Secretary for the Economic Development Board the duty allowances drawn for Economic Conference work by three Assistant Secretaries to Government have ceased. Mr. M. S. Ramachandra Rao, Assistant Secretary to Government in the Industries and Commerce Department is the one who has been hit hardest by this as he was drawing an allowance Rs.50 as Assistant Secretary, Economic Development Board, and Rs.50 as Secretary to the Industries and Commerce Board in addition to Rs.50 drawn as Assistant Secretary's allowance, so that the allowances drawn by him have been reduced from Rs.150 to Rs.50 and his total emoluments from Rs.400 to Rs.300.

2. Mr. Ramachandra Rao has made a representation that the sudden reduction of 25 per cent. in his salary has hit him very hard and has asked for the grant of a suitable personal allowance. The principle of compensating an officer for loss of allowances for any special work when that work ceases cannot of course be accepted; but Mr. Ramachandra Rao's case is particularly hard. He was selected for the post of District Economic Superintendent eight years ago, given the rank and status of an Assistant Commissioner in November 1916, made acting Assistant Commissioner in April 1917, sub pro tem Assistant Commissioner in July 1918 and provisionally permanent in February 1920, his salary all this time remaining at Rs.250. He has been doing very good work in the Secretariat as Assistant Secretary in the Industries and Commerce branch which also deals with very important papers relating to the Iron Scheme. I can personally testify to his ability

and detailed grasp over all the questions connected with the Iron Scheme.

3. The question was considered in Council on the 14th instant when the following resolution was recorded:-

"Mr. Ramachandra Rao may be given an allowance of Rs.50 per mensem for work connected with the Iron Scheme, as a special case in view of the sudden reduction of Rs.100 in emoluments, (from the date of the reduction)."

4. The Financial Secretary has acquieced in this. The recommendation of the Council may be graciously approved.
